UP International College New Zealand is proudly a Licensee of The FernMark Licence Programme, which is a country of origin trademark Programme, endorsed and recognised by the New Zealand Government.

The FernMark is used by New Zealand government departments across the world. It represents the story of who we are and where we're from, our New Zealand Story. It's a symbol people recognise and trust - a trademark that embodies our values of kaitiaki, integrity, ingenuity - the values of our New Zealand Story.

HISTORY OF THE SILVER FERN

The Silver Fern is one of New Zealand's most recognised, long-standing, and respected national symbols. Since the late 19th Century our fern has been worn with pride by our sports teams, with honour by our soldiers and used to represent our country all over the world. But why is the Silver Fern so special? Māori hunters and warriors would use the silver underside of the fern leaves to find their way. When bent over, the fronds would catch the moonlight and illuminate a path through the forest.

Today, the Silver Fern is still guiding the way, just as it has for over 150 years. The New Zealand Government and key private businesses have helped grow the FernMark into a recognisable and valuable icon. Tourism New Zealand and New Zealand Trade and Enterprise have also adopted the Silver Fern as the country of origin symbol for New Zealand. And now, the FernMark gives us the opportunity to represent New Zealand on the world stage and bring international students on a journey to our shores through our New Zealand Story.

Explore while you study

New Zealand is proudly multicultural, and we respect and welcome international students. The New Zealand Government's Code of Practice requires education providers to keep students safe and well during their study, including during their recreational time.

New Zealand has it all – excellent universities, a great lifestyle, diverse communities, vibrant cities, stunning natural scenery and an unbeatable range of outdoor activities, all within a small area. Cities such as Auckland and Wellington offer plenty of cultural activities, while those who love the great outdoors have glaciers, mountains, rainforests and coastlines to explore.

“There was something ‘profoundly different’ about New Zealand compared with the rest of the world, and it was something the world could learn from. It’s a certain sense of duty to each other, that you’re part of the team, that you will sacrifice for each other. That empathy, that love and respect, whatever it is that binds you together – we hope to be as much a part of that as we can be.”

WELCOME TO WELLINGTON

A great place to study and live.

Surrounded by a stunning harbour and green hills, Wellington often ranks as one of the most liveable cities in the world for good reason.

With a population of 422,000, the Wellington region is well-connected literally and figuratively – located at the bottom of the North Island it's easily accessible and, as a compact city, it's easy to get around.

Being the capital of New Zealand also means we're well-connected in terms of collaboration between education providers, research institutions, the business community and government.

It's a city where people love to live, study and work and that's a fact - Wellingtonians top the charts when it comes to quality of life.

Wellington is compact and convenient, so take advantage of the great shopping, beaches, mountain bike trails, native bush, restaurants, and the best café culture in the country. Visit galleries and museums, get among the vibrant nightlife, and check out the night markets, festivals, theatre shows, and music gigs.

Living costs

Wellington is an affordable study destination, with options to suit every budget.

Cost of living*	Homestay estimated weekly cost in NZ\$
Accommodation	\$360 - \$390
Electricity, water & gas	Included in homestay fee
Mobile phone plan	\$5 - \$15
Public transport	\$0 - \$35
Food	Included in full-board homestay fee
Free time activities	\$50 - \$150

*This table is only applicable to Homestay prices. Costs can vary depending on lifestyle, accommodation, and hobbies and interests. However, for a reasonable standard of living, we think students need about \$20,000- \$27,000 a year.

Additional Costs

- Flights to and from New Zealand
- Tuition fees
- Clothes

CREATIVE

Wellington is New Zealand's most creative city. It has topped the list for the past 20 years. You can find Wētā Workshop, Te Papa national museum, and a lot more here.

Minel Espeleta

Minel Espeleta made the decision to move to New Zealand to pursue a high-quality education alongside her two younger siblings.

She says the pandemic hit her family hard, but with the support of UP International College New Zealand, she was able to consider degree-level study at Victoria University of Wellington.

As the eldest sibling, Minel leads the way for her family, and proudly graduated with a Bachelor of Arts in 2021. Her first job out of university was with the Inland Revenue Department in the Government precinct of Wellington. Minel continues to thrive in her new role as consultant for the Ministry of Justice.

When asked about the value of being educated in New Zealand, she says, everyone deserves the opportunity to pursue a great education — no matter where you come from, or how much money you have in the bank.

"Victoria University of Wellington is all about providing quality educational opportunities to help students transition into study and work.

UP Education and Victoria University of Wellington have a supportive programme of weekly meetings with our students in their final term, so that they have the knowledge, skills and understanding to start their University with confidence and care. Our students meet the Victoria University of Wellington team regularly, so they have their own relationships with University staff before they even start. The three programmes for Victoria University of Wellington at UP Education (Standard, Fast-Track and Accelerated) are tailor-made to meet students where they are at and to provide them with the tools to be successful in their programmes and into the future."

Bryce Pedersen
Head of College
UP International College New Zealand

UP INTERNATIONAL COLLEGE NEW ZEALAND

Your journey to Victoria University of Wellington starts with UP International College New Zealand. Foundation Studies classes are taught at our Wellington Campus.

Programme delivery

Partnered with Victoria University of Wellington, UP Education has been delivering foundation programmes for over 20 years. All teachers are trained and registered with the Teaching Council of New Zealand.

We also place great emphasis on student welfare and ensure a high standard of care. Our dedicated staff are experienced in looking after the educational, practical and social needs of students.

Location

Our campus is located in the hub of Wellington CBD.

"It was an amazing experience to study with people from all over the world and get to know about them. Teachers were all very supportive and I had no hesitation to ask any kinds of questions in and out of the classes. They taught me not only the class contexts but also it is okay to ask help when I need them."

Academic learning is the key to success, but learning outside the classroom is equally valuable. We encourage our students to make friends, have fun and fully embrace all aspects of New Zealand or Australian life.

1000+ students from 50+ countries study at UP Education. Our main New Zealand campus is in the heart of central Auckland, with a second campus in Wellington where the Victoria University of Wellington Foundation Studies Programme is offered.

Student Services

The wellbeing of students is our top priority as it is the key to both academic and personal success.

The tutor system

We encourage you to develop good study habits and we offer personalised support to help you reach your goals. Each student is assigned a tutor to supervise the study and provide individual guidance, meeting regularly to check progress, celebrate success and overcome challenges.

Settling into study

Offering a level of care that sets us apart, UP Education provides help and support to all international students from the moment they contact us, to arriving in New Zealand and throughout their studies. We're here to help ensure life in New Zealand is happy and rewarding.

Orientation

Our Orientation programme helps you settle in when you first arrive. You'll receive an information handbook that includes homestay and accommodation guidelines.

Timetable

Student timetables are designed to help you become accustomed to university study, so you are expected to attend all lessons and work on study and revision between classes. Each lesson is 55 minutes in length.

"I won the Study Award at graduation and it was very appreciated that Victoria University of Wellington and UP Education gave me this opportunity to get NZ\$5000 to go towards university fees. During my studies at UP Education, I have been a student mentor which is a place to help other students who have any problems. One of the criteria of this award is that the student has a good grade. I can not say I have a really high grade but I can say I have made progress in every trimester and I am diligent in every subject that I have. I have shown courage, conscientiousness, endurance, resilience, and a commitment to excellence in the application to demonstrate why I should get this award."

SUPPORT ON CAMPUS

UP International College New Zealand

International Student Support

International student support officers help students with accommodation, health, course guidance and pathway options, as well as administration issues such as visa renewals, banking and insurance.

Parent Portal

Our web-based parent portal helps to bridge the communication gap between your home and the College. It provides your parents and caregivers with a single point of reference to all your school related activities, so they are kept up to date with your progress.

Learning Support

Studying overseas is exciting and rewarding – but sometimes it can also be challenging. We are here to provide all the support and care students need to achieve their goals. The role of the Deans is to support the tutors and teaching staff by monitoring attendance and academic progress, and carrying out disciplinary measures where required. If a teacher has a concern about a student, they talk to their tutor first, followed by the dean if necessary. Our teachers, tutors and deans work together closely to ensure students are happy and thriving.

Caring for your health & wellbeing

We have staff trained and registered with Red Cross for minor health and wellbeing issues at the International College. If students need further medical treatment, a doctor is available by appointment.

Studentsafe insurance for international students

The Education (Pastoral Care of Tertiary and International Learners) Code of Practice 2021 requires all international students studying in New Zealand to have appropriate health and travel insurance during their period of study.

Scan to learn more about student wellbeing

The International Student Support Team is here to help students with any queries relating to their studies, such as accommodation, health, course guidance, complaints, withdrawals and refunds, as well as administrative issues such as visa renewals, claiming from insurance and organising students activities, such as Orientation, Graduation and more.

We aim to provide all students with a superior study experience at UP International College New Zealand and therefore work closely with all internal and external stakeholders (which includes students, sales support, and the academic teams across all campuses) to ensure queries are resolved quickly and effectively.

Student Wellbeing Awareness Team

This team of current students empowers other students to look after themselves by raising awareness and providing education about health and wellbeing. They run regular events and can also support you at The Bubble, a space for students to meet friends or seek advice. Enjoy a free cup of tea or coffee or heat up your lunch in the kitchen.

Student Learning

Student Learning provides free workshops, learning opportunities, and resources to help international students communicate better, improve their writing, and practise study techniques.

Other Victoria University of Wellington Support

All international students can access the University's main support services, including:

- Student Health
- Student Counselling
- Disability Services
- Student Finance Advisers
- Careers and Employment

Student Support

New Zealand is the only country in the world with an International Student Wellbeing Strategy, designed to protect our reputation as a safe and welcoming study destination. International students at Victoria University of Wellington receive support from Wellington University International—Te Kahupapa. Wellington University International provides international students with personal, academic and cultural support, including insurance claim support, academic monitoring, International Orientation and student events.

International Orientation

This fun two-day session at the beginning of each trimester is your chance to receive an orientation pack, take a campus tour and get tips and information on all the services available in your exciting new life.

International Buddy Programme

You will be assigned a buddy, who will be there to show you around and help you adjust to life as a student in Wellington. You can also take part in buddy events throughout the year – have some fun and meet fellow students.

"Getting a foundation in English, media and design studies will aid me in my university studies. I have always been interested in film and the arts from a young age. I chose to study in Wellington because it has always been a top travel destination for me, seeing photos of the scenery and hearing about the work culture has always enticed me."
